18 Defendant. )

19 IT IS HEREBY STIPULATED, by and between the parties to this action, that the supervised  
20 release status date in this case, currently scheduled for Thursday, January 24, 2008, at 2:00 p.m. in  
21 San Francisco, California may be continued to Friday, March 14, 2008, at 2:30 p.m. in Oakland,  
22 California for status regarding his supervised release violations. The current status is that Mr.  
23 Lezine has been on electronic monitoring and complying with his conditions of supervision since the  
24 last appearance in November, 2007. He also has been working and testing negative for any drug use.  
25 The parties anticipate that should Mr. Lezine continue to do well on supervision, the United States  
26 Probation Officer will submit a petition prior to the March 14, 2008 court date, requesting that the

1 Court take judicial notice of the violations. As Mr. Lezine will have served nearly one month at the  
2 half-way house and almost four months on electronic monitoring, the parties believe that this is an  
3 appropriate sanction. At that time, the March 14, 2008 status court date would be vacated. United  
4 States Probation Officer Mark Unalp has discussed the matter with the government and defense  
5 attorney and agrees that this is an appropriate disposition of this matter.
